

**United Way of
Naugatuck and Beacon Falls**

2017 ANNUAL REPORT

PRESIDENT'S MESSAGE

Yvette Wilmont

I have been volunteering for the United Way of Naugatuck and Beacon Falls for 15 years, and I am so very grateful to have been asked to volunteer by Kathy McPadden. It has been an honor for me to serve as Board President, and to partner with Board of Directors who are committed to helping those in need in Beacon Falls and Naugatuck. While one of the smallest United Ways in the state, we meet the challenge to have meaningful impact in our community through our work.

We serve over 10,000 individuals in our communities through our partner agencies and raise funds through employee contributions and special events. The generosity of our donors and our event sponsors, the countless hours donated by our volunteers and the

dedication of our partner agencies never ceases to amaze me. Our United Way community is truly extraordinary.

Campaign Chair David Rotatori of Ion Bank led a banner campaign. Dave and his team worked diligently to increase awareness, obtain new contributors and reconnect with previous donors. I would like to extend a great deal of thanks to Dave and his team for their energy and dedication to our United Way.

Our Allocations Committee, led by Ken Healy, spent many hours reviewing applications for funding. This year, 50% of the committee was staffed by new volunteers, indicating the vitality in commitment of the public in supporting our mission. I'd like to thank each of those volunteers, and their careful attentiveness to the use of dollars funded. Individual meetings were held with each of our partner agencies to ensure that your dollars meet the need of our community. We are also thankful for the agencies' thorough applications and their hard work in the process.

The Marketing Committee, led by Sandy Lee, has really done some great things. This committee creates volunteer and agency profiles for our website and social media, designed advertisements, and created and implemented a United Way Newsletter. This hardworking committee continues to promote our United Way with informational materials and also focused on United Way's volunteers, donors and partner agencies. We are fortunate to have these dedicated volunteers working with us.

United Way also had a very successful year of special events giving us the ability to connect with the people of our community in a different way. The Annual Car Show in July, sponsored by Ground Up, and our Golf Tournament both surpassed our expectations. Board member Donna Andrew, once again outdid herself with two immensely popular Casino Trips and the Salem Bus Trip. Our 11th Annual Festival of Trees was held in December; it brought together businesses, schools, agencies and people, both young and old, showing "community spirit" at its best. Also, Board member, Pat Peterson, spearheaded the 3rd Holiday Cookie event in December open to the elementary schools in Naugatuck and Beacon Falls - over 200 children attended. Thank you to all the volunteers who help make these events so successful!

I'd like to ask you to join me in extending a very special thank you to both Executive Director Lisa Shappy and Finance Director Beth Mongelluzzo for their continued commitment to our United Way on a daily basis.

I am sincerely grateful to all of you for making my experience with the United Way of Naugatuck and Beacon Falls wonderful. Thank you to our donors, corporate sponsors, volunteers, partner agencies and staff. Live United.

Yvette Wilmont
President

Dear Friends,

As the 2017 campaign comes to a close, we have many thanks to give. We were fortunate to have a dedicated team of campaign and special events volunteers who worked diligently on this campaign. They worked tirelessly to exceed our goal of \$415,000. We are humbled by all of those individuals that have stepped up and helped us raise more than \$450,000! Beyond our financial goal, we wanted to expand our reach in the community and set a goal of reaching an additional 500 people to raise awareness about the Naugatuck and Beacon Falls chapter. By partnering with the local youth sports leagues, I am happy to report that we were able to reach more than 1,000 additional individuals and families.

A special thanks to our Executive Director, Lisa Shappy, and Finance Director, Beth Mongelluzzo for their hard work and dedication to our United Way. We are also blessed to have a dedicated Board of Directors who make personal sacrifices contributing not only their dollars, but their time.

Although I may be accused of bias, I would be remiss if I didn't specifically thank Ion Bank and all of our employees. Besides a record 100% participation, our employees increased their giving by 32%. With the corporate match, we collectively increased our contribution by \$62,000 for a total of \$175,000! I am so proud to be a part of Team Ion.

Lastly, I want to thank all of the contributors to the United Way of Naugatuck and Beacon Falls. Thank you for making this year such a success. United Way is working to advance the common good. Each of us has special talents, things we can do to help. Please continue to put your talents to work and Live United!

My warmest and most appreciative regards,

David J. Rotatori

ALLOCATIONS REPORT

Ken Healy

The mission of the United Way of Naugatuck and Beacon Falls is to provide organized capability for involving people of our region to care for one another through a voluntary system of human services. The Allocations Committee facilitates this process by interviewing partnering agencies and reviewing their detailed financial applications to determine funding levels for each agency's program. This year the committee recommended funding 27 programs administered through 17 agencies serving Naugatuck and Beacon Falls.

The partnering agencies devoted significant time and effort to complete their application requests for funding. The application packet requires a brief narrative of their agency, an explanation of the programs presented in this request for funding, and a budget (historical, current, and prospective) for the agency as a whole and the specific programs presented. I applaud the thoroughness and professionalism that agencies exhibit through the energy and effort committed to prepare packets for the committee's review.

I am deeply grateful to the members that served on the Allocations Committee this year. I am inspired by the contributions of our committee members in applying their insight and experience to conduct a detailed review. I am humbled by their willingness to sacrifice time from busy schedules to serve in this capacity and proud of the diligence shown throughout the review process to assure funds were distributed appropriately to the many deserving programs. Their commitment to this process greatly benefits our community.

In conclusion, I would like to thank the donors to the United Way of Naugatuck and Beacon Falls. The donations of volunteered time, funding, and support they provide enables us to continue efforts to improve the lives of those in need.

Sincerely,

Kenneth J. Healy
2018 Allocations Committee Chair

MARY CONNOLLY COMMUNITY CARING AWARD

Pat Peterson, 2017 Recipient

A lifelong resident of Naugatuck, Pat and husband Alan have two wonderful children, Brian and Cassie, along with the best daughter-in-law, Anne Marie, and son-in-law, Jeff Ortiz, anyone could ask for. In March of 2016, the family was blessed by the birth of their grandson, Evan Jeffrey Ortiz, (aka Pat's little Buttercup). Anyone who knows Pat will tell you that her family is clearly the most important piece to her life. Currently, Pat is self-employed which she considers a gift since it affords her precious time with her grandson.

As committed to her family as she is, Pat still manages to find time for her community. Volunteering has been a lifelong passion for her, and the service that she has given to many organizations over the years exemplifies this. In the past, Pat volunteered to spearhead the St. Francis Confirmation Community Service Town Wide Food Drives. She had been a team member for ten years with the Greater Waterbury Relay for Life, and in the latter years taking on the role as Activity Chair. She created "Lunches for Life" while employed at Naugatuck Valley Savings and Loan, raising approximately \$6,000 in 16 weeks for Relay for Life. She has volunteered for Junior Achievement for many years by teaching one of their programs to elementary school children. Pat was also a past recipient of the Raymond K. Foley Award.

Currently Pat serves on the Board of Directors and Allocations Committee for the United Way of Naugatuck and Beacon Falls and previously served as the Campaign Chair in 2015. For the past four years, she has also served as a Tri-Chair of the annual Festival of Trees. For the past two years, Pat has held a cookie decorating event open to all children in Naugatuck and Beacon Falls in grades K-6 to promote community awareness of the United Way. It is important to Pat to hold an event that the children of these communities can participate in at no cost since many attendees are families on fixed incomes. Attendees include parents, grandparents, or guardians of the children, and many have expressed their delight in having an activity like that to do with their children and are so grateful that this event came to fruition with the help and support of volunteers like Pat.

However, the cookie-decorating event didn't end there. When this year's event ended with extra cookies left over, another volunteer mentioned to Pat that perhaps they could go to a shelter and decorate cookies with the children who were currently living there. In December of 2017, Pat contacted Safe Haven of Greater Waterbury and asked if they might be able to go to the shelter and do just that. That was when part two of the Cookie Decorating event was born, and it will continue to be an annual event. Even if there aren't any leftovers, Pat and her crew will be sure to make more cookies!

In addition to the United Way, Pat is currently involved with other organizations in the community. She is a member of the Jane Doe No More Events Committee and continues to volunteer in various roles for Naugatuck High School's Grad Night, after co-founding it in 2001. Pat is proud to still be a part of this event, which will be celebrating its 19th year this June.

Pat truly believes that being part of a community includes volunteering, and her life demonstrates that belief. It is her conviction that it doesn't matter whether the role you take on is big or small. What does matter is your passion, "If you are passionate about what you do, you will make a difference."

My Dear Friends,

It has been a true honor to chair the United Way of Naugatuck and Beacon Falls Marketing Committee these past three years. Working together with Marylou Cunningham of Ion Bank and Lisa Shappy our Executive Director of the United Way has been an incredible experience as together we strive to help make a difference for those in need in our community.

We continue to celebrate and highlight our partner agencies. We have been touched by their clients' bravery of sharing their heartfelt stories at our events. We are proud to post their Bios on our website and Facebook page, helping to increase awareness of the good work they do. We are in awe of the continued commitment of these agencies to "Advancing the Common Good" by increasing opportunities for children and youth to succeed; helping people become more self-sufficient in meeting their basic needs; and increasing financial stability.

A sincere thank you to the Citizen's News and the Republican American for their generous support this year. We are extremely grateful to the many companies, their employees, and those in the community that continue to donate their time, talents and resources to support us throughout the year - each doing what we could individually... and together we all LIVED UNITED!

I am humbled by the outpouring of support, witnessing so many of you paying it forward this year especially. Perhaps you gave through your weekly payroll donations or supported our special events. Maybe you volunteered at our annual Festival of Trees, attended our Annual Campaign Kickoff, or simply shared our posts with your friends? So many of you supported the Kevin M. DelGobbo Scholarship – recognizing his years of dedication to the United Way of Naugatuck and Beacon Falls and honoring his lifelong commitment to the Naugatuck Community. My heartfelt gratitude to each of you.

Thank you for helping the marketing team and following the United Way motto GIVE. ADVOCATE. VOLUNTEER. We have a community to be truly proud of because YOU became involved and made a difference.

Together we have changed lives. Together we make Naugatuck and Beacon Falls a great place to live.

Kind Regards,

Sandy Lee
2017 Marketing Committee Chair

Sandy Lee presented a check to the Naugatuck High School Alumni Association in the amount of \$37,647 for the Kevin M. DelGobbo Scholarship making the total amount fund \$40,447.

The scholarship will be handed out annually at Honors Night to a graduating NHS senior to honor Kevin's legacy of love for his family, friends, and the Naugatuck community. Thank you to all who supported this wonderful effort.
